TIG/MIG Welder & Fabricator

Proformance Pros is seeking an energetic welder that is proficient in both TIG and MIG welding and materials fabrication. This individual will take on start-to-finish product manufacturing and assist in business growth.

Qualifications:

- 3+ years of TIG welding experience with high proficiency in steel/stainless/aluminum/chromoly welding required
- MIG Weld A+
- Competency with tube notching and bending
- Experience designing fixturing and work holding for part-projects
- Automotive experience is a plus

Responsibilities:

- Set up fixtures and tooling to manufacture components completely
- Ensure programs meet or exceed target FAB times to optimize capacity
- Cut, fabricate and weld assemblies and subassemblies from raw materials using shear, brake press, plasma torch, flame torch and standard shop tools
- Read and interpret parts list, blueprints and sketches
- Ensure finished assemblies meet tolerances, quality and functional criteria as expected
- Maintain work area and equipment and follow prescribed safety procedures
- Follow production orders and work instructions
- Assist and provide input in operational growth, including technology/techniques
- Other responsibilities may be added or assumed based on necessity

Environmental:

- May require long periods of standing or sitting
- Exposure to moving mechanical parts, moderate-to-high noise, fumes and airborne particles
- Lifting up to 50 pounds repetitively

Time and Benefits:

- Full-Time, Non-Exempt (Hourly)
- Schedule 7:00 AM to 3:00 PM M-F, subject to overtime and situational requirements
- Paid Time Off
- Six Paid Holidays
- Pay is commensurate with experience: \$20 to \$40 per hour
