

Fastime Performance – Preferred Shop Program FAQ

What does the Preferred Shop discount apply to?

The discount applies to qualifying in-house labor services only.

What is excluded from the labor discount?

Parts, outside or subcontracted services, rush or emergency jobs, package pricing, or previously discounted quotes.

Who can apply?

Professional repair shops, performance shops, race teams, fleet, and commercial accounts.

How do we maintain Preferred Shop status?

Accounts must remain in good standing. Benefits may be paused if an account becomes past due.

How do we apply?

Submit a Preferred Shop Application or contact Fastime Performance directly.
